

2024 Baby & Infant Session

Education & EPPS Programs

ECRM's educational sessions provide EPPS attendees with the opportunity to learn from thought leaders and category experts on a variety of topics aimed at their professional development. These sessions include presentations, moderated panel discussions, special events, workshops, and roundtable discussions focused on category insights and trends, as well as hands-on workshops to help buyers and sellers enhance the effectiveness of their meetings during an EPPS.

Growth Drivers for Health & Baby in the Omnichannel Landscape

45 minutes

Join NIQ's Mike Galaburda and Yvonne Buisson as they explore the key growth drivers for Health & Baby categories in the omnichannel landscape. This session will provide the Full View™ on the factors influencing consumer demand across both brick & mortar and online channels. By joining, you will gain insights into evolving purchasing behaviors, future growth opportunities, and the strategic levers successful brands use to win with consumers today. Focusing on Personal Care, Health, and Baby & Infant categories, this session will equip manufacturers with actionable strategies to thrive in a competitive market.
