

2025 Snack, Summer Session

Education & EPPS Programs

ECRM's educational sessions provide EPPS attendees with the opportunity to learn from thought leaders and category experts on a variety of topics aimed at their professional development. These sessions include presentations, moderated panel discussions, special events, workshops, and roundtable discussions focused on category insights and trends, as well as hands-on workshops to help buyers and sellers enhance the effectiveness of their meetings during an EPPS.

Inside the Aisles: Consumer Trends Reshaping the Grocery Center Store

30 minutes

Monday, July 21st | 2:15 PM - 2:45 PM

Today's center store is evolving fast - driven by shifting consumer values, digital habits, and new definitions of health, convenience, and value. In this 30-minute session, we'll explore key trends influencing shopper behavior across core grocery categories, including:

- The rise of purpose-driven and health-conscious purchasing
- The impact of digital discovery and omnichannel shopping
- The balance between value-seeking and premiumization
- Generational and cultural shifts that have an outsized impact on historic expectations of brands and retailers

Join us for actionable insights and fresh perspectives on how to keep your center store strategy aligned with what today's consumers really want.
