

## 2026 On & Off Premise Adult Beverage, Fall Session

### Education & EPPS Programs

ECRM's educational sessions provide EPPS attendees with the opportunity to learn from thought leaders and category experts on a variety of topics aimed at their professional development. These sessions include presentations, moderated panel discussions, special events, workshops, and roundtable discussions focused on category insights and trends, as well as hands-on workshops to help buyers and sellers enhance the effectiveness of their meetings during an EPPS.

## The Modern Drinker's Shopping Basket: Navigating Choice, Trade-Offs, and Change

**45 minutes**

**Monday, August 24th | 5:30 PM - 6:15 PM**

Today's Beverage Alcohol consumer has more choices—and more constraints—than ever. This session begins with an overview of the current state of the Beverage Alcohol industry, then pivots to the consumer lens to explore how drinkers are building and changing their repertoires across categories within BevAl and beyond. We will dig into how moderation, economic pressures, and evolving preferences are shaping what consumers buy, when they buy it, and what they leave behind. From hosting the party to wind-down drinking occasions, this session breaks down how consumer behavior is driving the next phase of Beer, Wine, Spirits, RTDs, Adult Non Alcohol, THC Beverages, and beyond.
